Class of 2020

Freshmen won Homecoming and won the spirit stick for the first time ever. We need a big article about this in the next Warner World.

Seniors Are Blessed by "Secret Angels"

WCA seniors were blessed by their "Secret Angels" on December 16th. Each senior has been adopted by a faculty or staff member who prays for them daily and gives them a monthly "blessing" to encourage them during their final year of high school. This has been a wonderful opportunity for both the seniors and their "Secret Angels."

Mrs. Rowan's K4 wants to remind everyone that "Jesus is the reason for the season."

A Word from the Superintendent

It's hard to believe that yet another year has passed! The old one has gone. A new one has come, whether we are ready for it or not. In the case of many of us, we reflect at this time of year on the character traits or habits we would love to change. We set

goals, sometimes even to modify our behavior, yet too often without any lasting effect. But changing our outward behavior is like rolling back the odometer on a vehicle. You can reduce the mileage from 200,000 to 20,000, but you still have a vehicle with 200,000 miles on it.

There is, however, hope for the person who sincerely desires to change. The power for that type of change comes from a realization that we cannot do it on our own. Changes that last come from within. They are internal, and require the presence of Jesus Christ in our lives to fully take root.

The Bible states that if anyone is in Christ, he is a new creation; the old is gone and the new has come (II Corinthians 5:17). When we give our lives to Jesus Christ, He transforms us—changes us from the inside out. Instead of “rolling back the odometer” and being the same old person inside, He truly gives us a spiritual heart transplant.

As you begin this new calendar year, recognize what Jesus can do for you if you will only let Him. He will make you “a new creation,” a change for the better...and a change that will last!

In Christ's Service,
Mark W. Tress, School Superintendent

For our service project, **Ms. Adams'** and **Ms. Tip-ton's** 2nd grade classes put together Christmas Care Packages for patients in hospice care. The children brought in tissues, hand sanitizer, candy, cookies, and other goodies. They worked together to assemble each box which was completed with a hand written Christmas card. We were able to share 28 boxes with hospice facilities in Ormond and Port Orange.

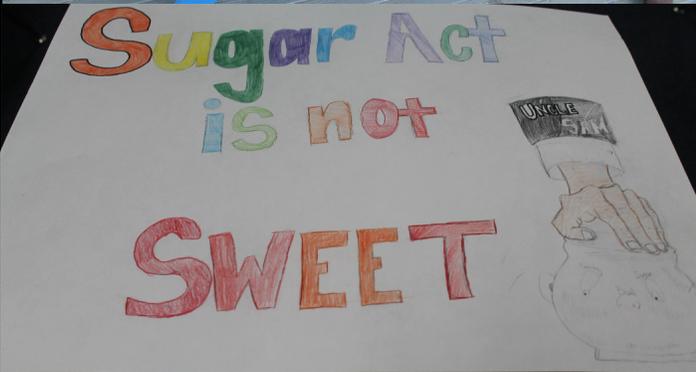

Good News! Our 2016 Eagle yearbook came in 2nd in ACSI Division 1 competition, and we were awarded “Best Cover” in our Division!

**Congratulations,
Yearbook Staff!**

We love hearing from our alumni!

Mr. Rodriguez's 8th grade American History class designed protest posters against the unfair actions of the British during colonial America. Students came to school dressed in Indian-themed shirts, outfits, and face paint to celebrate the occasion with a Boston "sweet tea" party.
