

## US HISTORY I HONORS QUALIFICATION PROJECT

The Honors program of Warner Christian Academy strives to provide the student with an opportunity to stretch his or her interest in advancing their knowledge in American history.

In order to ascertain whether you are serious in your wish to participate in the Honors program, you are requested to complete the following project and present it to your American History instructor on the first day of the 2017-2018 school year, August 14. **Successful completion of the project, earning at least a B,** and confirmation that you received at least a B as the final grade in World History, may lead to your acceptance in the Honors track of American History.

Please follow the directions below in completing this assignment. This must be in depth, not just a sentence or two.

1. It will be presented in a notebook, with each section clearly marked according to the assigned topics contained within the directions and placed in a protective cover where possible. The mobile may be presented separately properly identified.
2. Any written work will be typed using the default settings of Microsoft Word 2003 or above.
3. You will clearly mark your portfolio with your name.
4. Resources will be listed on a separate page. They will be in the MLA form and will be presented using the format available from the following websites: [www.citationmachine.net](http://www.citationmachine.net) or [www.easybib.com](http://www.easybib.com). **The page will be titled Resources, centered and in capital letters.**
5. You will use a minimum of 5 resources which will be made up from the following:
  - Internet – 4 websites
  - Books – 3
6. Proper grammar will be used and points will be lost for improper punctuation and poor grammar. Have someone proofread your final copy before submitting.
