ADDITIONAL FEES NOT INCLUDED IN TUITION

New Student Application Fee: This is a \$70 **non-refundable** fee that is required for all new students and pays for processing a K-12th grade student's application. Because WCA is a continuous enrollment school, current families do not pay this fee.

New Student Annual Enrollment Fee: This is a \$200 **non-refundable** fee that is in addition to the annual tuition and places K-12th grade students on the school roster, thereby reserving their place at WCA. WCA families continuously enrolled for each successive academic year are granted a discounted continuous enrollment fee. The continuous enrollment fee for the following year will be divided into two installments and billed to your FACTS account. Payments will be due each year on February 1, and March 1. **These fees are non-refundable and non-transferable once billed or paid.**

Annual Curriculum Fee: This is a **non-refundable** fee for the cost of curriculum and is not expected to exceed \$650 per student. This year, WCA will cover 50% of the non-refundable curriculum fee. The curriculum fee is based on the student's class schedule and books required for those classes. This fee may be amortized over your tuition payment plan. Books will be the property of the student.

Annual Tuition: Tuition is paid in full, semester, quarterly or in 10 monthly payments beginning in August and is due on the 5th or 20th of the month depending on which date is picked at the time of FACTS Account set up. All families will set up a FACTS agreement which will provide you with flexible payment options.

Annual Pre-Payment Discount: Families who prepay their annual tuition by August 1, 2024, will receive a 5% discount. You must select this payment plan in FACTS. This discount does not apply to outside scholarship or WCA financial aid recipients.

Withdrawals: Students are not withdrawn until an official withdrawal form is signed and returned to the school office. If a student withdraws or is dismissed after they are placed on the school roster, **all fees and tuition for the full quarter in which withdrawn are due.**

Additional Expenses: Other costs may be incurred for trips, lunches, band, athletic participation fees, clubs/ organizations, transportation, extended care, or other activities. These fees will be billed to your FACTS incidentals account. **Families are required to have an active credit/ debit card or bank account synched to their FACTS account.**

Late or Returned Payments: Payments are due on the 5th or 20th of the month depending on the date chosen at the time of FACTS Account set up. A **\$30 late fee** will be charged if the balance is not paid on the due date. **Students may not attend classes on the thirty-first (31) day of non-current accounts or participate in any activities until the account is made current or the Student Finance Department has an approved payment plan in place.** WCA will not guarantee a place on the roster for students whose billing accounts are one month overdue. If a scheduled auto-draft payment is returned for any reason FACTS will process a \$30 returned payment fee.
